

2-arm extractor

Adjustable extractors for bearings, discs, wheels and rings. They can be used as internal and external extractors. The beam structure enables to adjust the spacing of the arms.

VOREL	(")	W (mm)	Ø (mm)
80470	3	75	14
80471	4	100	17
80472	5	130	17
80473	6	150	19
