

Air Belt Grinder for 10 mm Sanding Belts (Art. 8853)

- for grinding of small surfaces, cleaning of brake calipers when replacing the brake pads, etc.
- universally adjustable angle of inclination
- abrasive belt size: 330 x 10 mm
- max. speed: 20000 rpm
- air consumption: 400 l/min
- working pressure: 6.3 bar
- air inlet: 1/4"
- weight: 1.2 kg
- dimension: 310 x 85 x 50 mm
- noise level:
LpA: = 93 dB(A) / LwA: = 104 dg(A)
- vibration level: ahd = 4.8 m/s²
