

Digital Multimeter, 3 1/2-digit (Art. 63402)

- shock resistant plastic protection
- with put-up hinge
- energy-saving LCD-display
- meets the latest regulations
- suitable for measurements in the following ranges:
 - DC voltage: 200mV - 2V - 20V - 200V - 600V
 - AC voltage: 200V - 600V
 - resistance: 200Ω - 2KΩ - 20KΩ - 200KΩ - 2MΩ
 - DC current: 20μA - 200μA - 2mA - 20mA - 200mA - 10A
 - diode forward voltage
 - measured value memory button (HOLD)
 - power supply: 9V
 - suitable for measurements in CAT II area
